## 2014 Venture Capital Report

MAY 6, 2014

Our 2014 Venture Capital Report offers an in-depth analysis of, and outlook for, the US and European venture capital markets. The report features industry and regional breakdowns, an analysis of trends in venture capital financing and VC-backed company M&A deal terms, a look at important considerations for startups in light of JOBS Act provisions that loosen restrictions around general solicitation and crowdfunding.
