

Trends in *Inter Partes* Review of Life Sciences Patents

JULY 6, 2016

Bloomberg BNA's *Patent, Trademark & Copyright Journal* published an article written by [Monica Grewal](#), [James Hill](#) and [Kathryn Zalewski](#), which provides a statistical analysis of *inter partes* review proceedings before the Patent Trial and Appeal Board and shows that it is not a "death squad" for patents.

First available in September 2012 under the America Invents Act, petitions for *inter partes* review have become a popular and relatively inexpensive staple in patent litigation. [Read the full article](#)
