

Market Intelligence: Privacy & Cybersecurity

AUGUST 1, 2017

Partners Benjamin Powell and Jason Chipman discuss cybersecurity concerns nationwide and focus on the evolving regulatory requirements for businesses at risk in these chapters published by *Getting the Deal Through*.

Excerpt: Cybersecurity continues to represent a growing risk for companies around the world with cyber threats posed by nation states, commercial competitors, company insiders, transnational organised crime and 'hacktivists' continuing to grow on a global basis. Recent high-profile and disruptive cyber attacks using ransomware have become particularly problematic for large and small companies alike. [Read the full article.](#)
