Partner Duncan Speller is the author of the [England & Wales](#) chapter. Reproduced with permission from Law Business Research Ltd. These chapters were first published in *The International Arbitration Review*, 8th edition (August 2017).

**Excerpt:** International arbitration is a fast-moving express train, with new awards and court decisions of significance somewhere in the world rushing past every week. Legislatures, too, constantly tinker with or entirely revamp arbitration statutes in one jurisdiction or another. The international arbitration community has created a number of electronic and other publications that follow these developments regularly, requiring many more hours of reading from lawyers than was the case a few years ago.
