

## Network Industries Law Review

JANUARY 1, 2019

Anne Vallery and Itsiq Benizri co-author the chapter titled "The Difficult European Harmonization, Review of the Law of the Network Industries." This legal review is entirely devoted to network industries.

Every quarter, the *Network Industries Law Review* analyzes legislative, regulatory and jurisprudential developments in the subjects concerned and publishes an in-depth file on a specific theme, favoring a transversal approach. [Read more](#)
