
EU Cartel Law Enforcement: Practice and Policy

2006-11-09

Our recent conference in Brussels, "EU Cartel Law Enforcement: Practice and Policy" featured key speakers from Europe and US covering existing and evolving law and practice in the area of international cartels, including the heads of cartel enforcement for both the U.S. Department of Justice and the European Commission.

We have produced a CD-ROM containing all the papers, slides and reading materials prepared for the conference. If you would like to receive a copy, please contact [Ingrid Cloosterin](#).
