
Founders, Pay Attention to This Stuff—Not the Stock Market

MARCH 23, 2018

An article by Daniel Zimmermann, published by *Xconomy*. The article discusses information that entrepreneurs should follow and what they can safely dismiss.

Excerpt: The Dow Jones Industrial Average. Nasdaq. Startup exits. Funding rounds. In our 24/7 connected world, there's no shortage of data you can access, study, and agonize over. The market's latest move—from boom to correction—has commentators and analysts in a tizzy; many investors are feeling anxious, too. [Read the full article.](#)
