DENNIS.WANG@WILMERHALE.COM

Dennis Wang is a special counsel in the Litigation/Controversy Department and a member of the Intellectual Property Litigation Practice. He joined the firm in 2011.

Mr. Wang's practice focuses on intellectual property and patent litigation, representing clients in cases involving a wide range of technologies, including integrated circuits, graphics rendering, microprocessors, wireless communications, network intrusion detection systems, content delivery networks, and Internet service software. He has represented clients in district courts, the Patent Trial and Appeal Board, and the International Trade Commission.

Prior to joining WilmerHale, Mr. Wang was an associate at Howrey LLP, where he focused on patent litigation. Before practicing at Howrey, Mr. Wang was an associate at Day Casebeer Madrid & Batchelder LLP. Before law school, Mr. Wang worked as a software engineer, focusing on web programming. While at the University of California Los Angeles, Mr. Wang was a software engineer intern at Citicorp Developmental Center and a technical marketing engineer in the mobile platforms group at Intel Corporation.
