JEFF.SOLLER@WILMERHALE.COM

Jeff Soller is a senior associate who represents clients on a variety of intellectual property and anticompetitive matters. His practice encompasses all phases of civil litigation, including taking and defending depositions, coordinating discovery, drafting dispositive motions and appeals. Mr. Soller has handled matters in a wide range of technology areas including telecommunications networks, manufacturing processes, wireless communications, systems engineering, artificial intelligence and data storage.

Mr. Soller's experience also includes practicing before the Patent Trial and Appeal Board in post-grant proceedings, including *inter partes* review and post-grant review. Mr. Soller was a law clerk for the Honorable Richard G. Taranto of the US Court of Appeals for the Federal Circuit from 2020–2021.

Prior to attending law school, Mr. Soller was a high school physics, statistics and engineering teacher as a member of Teach for America.
