Samia Khamis is a DA&I attorney on the firm's WilmerHale DiscoverySolutions team, focused on substantive and strategic areas of discovery for Litigation/Controversy matters. She joined the firm in 2007.

Ms. Khamis focuses her practice on issues of e-discovery. Specifically, she works with other attorneys, litigation support coordinators, and paralegals in order to provide efficient and cost effective discovery in litigations and investigations. Attorneys on these teams manage matters to create smarter document review processes through strategic and tactical work from preservation to collection and through review and production. In this role they utilize the firm's internal review software as well as e-discovery vendors' review and analytical tools.

Prior to joining WilmerHale, Ms. Khamis was a litigation analyst in the New York office of another large international law firm where she represented various clients, including financial services companies and pharmaceutical companies, in investigations and litigations concerning market timing, revenue sharing, late trading and marketing practices. Ms. Khamis has also managed, supervised and trained paralegals and a team of contract attorneys in document review and in the drafting and production of privilege logs.
