

2018 Dutch Arbitration Day “How Will Technological Innovation Shape the Future of Arbitration?”

OCTOBER 18, 2018
THE HERMITAGE

Moderator of panel 2: What lies ahead: how will technological innovation shape the future of arbitration? Opportunities, risks and challenges.

We will look at the impact of Artificial Intelligence, e-discovery, document automation, legal design, arbitrator intelligence and more. What lies ahead of us? Will new technologies disrupt or enhance the arbitral process? How can we benefit from technology and innovation to make arbitration more efficient, more transparent and less costly? What are the risks and challenges for arbitrators, practitioners and institutes?
