

## Crypto Currently: The SEC's Oversight of Crypto

DECEMBER 14, 2022  
VIRTUAL

Join us for the third session in our webinar series addressing the focus of various government agencies on crypto.

During this program, WilmerHale attorneys Tiffany J. Smith, Michael Mugmon, Matthew Beville and Joseph Toner will discuss the Securities and Exchange Commission's (SEC) oversight of crypto and how this could impact market participants.

The panelists will discuss:

- the SEC's jurisdiction over crypto assets and intermediaries;
- the SEC's focus on "crypto" investment companies;
- recent SEC crypto enforcement actions; and
- the actions the SEC may take to further regulate the crypto ecosystem and its participants.

During the webinar, participants will have the opportunity to contribute questions online. CLE credit will be provided.

### **About WilmerHale's Crypto Currently Webinar Series**

This webinar is part of a series presented by our Blockchain and Cryptocurrency Working Group, a cross-disciplinary group of lawyers that helps dynamic companies stay agile and achieve their goals while mitigating risk and guides established financial institutions as they explore the potential of blockchain and crypto.
