

More Than Dollars and Cents: Strategies for Securing Human Capital in a Challenging Economy

In today's challenging economy, many businesses look for creative ways to attract and retain their most valuable asset, human capital. Companies are also taking this opportunity to insure that their interests are well protected when employees choose to leave for other opportunities-both in terms of the safeguarding of confidential information and the retention of other key personnel. Our briefing will bring insight to the different means of compensating employees and protecting your business, and will be followed by questions and discussion. Hale and Dorr partners Louis Sapirman and Jamie Balanoff will be featured speakers at this event.
