

## Xconomy Forum: The Promise and Reality of Cloud Computing

2008-06-24

Participants in this afternoon event, presented by Xconomy Forum, will leave with a comprehensive picture of the most ambitious current applications of cloud computing and the field's future promise, as well as authoritative information, both constructive and cautionary, that they can use if they're thinking about entering the cloud computing space themselves - whether as investors, customers, or entrepreneurs.

WilmerHale is a sponsor of this event.
