
WilmerHale Counsels Utimaco in Acquisition of Micro Focus' Atalla Product Line

JUNE 5, 2018

On May 18, 2018, Micro Focus announced its intent to divest its Atalla Hardware Security Module (HSM) and Enterprise Secure Key Manager (ESKM) product lines. Utimaco, a leading global hardware security module vendor, will acquire the Atalla product lines. The acquisition will help Utimaco accelerate its growth trajectory into the payments market and further invest in the Atalla portfolio to deliver continued innovation to customers.

The WilmerHale team counseling Utimaco is led by [Daniel Zimmermann](#) and includes [Jeff Johnson](#), [Jason Chipman](#), [Matt Schnall](#), [John Lee](#), [Lawrence Gallick](#), [Molly Holsinger](#) and [Victoria Hartmann](#).
