
Wirtschaftswoche: WilmerHale Named a Top Law Firm for Data Protection Law

AUGUST 9, 2021

WilmerHale has once again been recognized as a top law firm for data protection law by Wirtschaftswoche (issue 32/2021) under the leadership of [Dr. Martin Braun](#). In addition, Dr. Braun is also recommended as a “Top Lawyer 2021” for the legal field of data protection law.

The Handelsblatt Research Institute surveyed more than 1070 lawyers from 152 law firms. The selected lawyers were asked to name the most renowned colleagues. According to the jury's evaluation, 24 law firms with 33 lawyers prevailed in the area of IT law and 29 law firms with 35 lawyers in the area of data protection law.
