
On Juneteenth, Cynthia Mazareas Recognized as a Black Biopharma Industry Leader by *Timmerman Report*

JUNE 21, 2024

On the Juneteenth holiday, the *Timmerman Report* recognized Partner [Cynthia Mazareas](#) among 18 Black biotech pharma industry leaders that are making significant contributions to the industry.

In the profile accompanying the recognition, Rob Perez, who is among the biggest names in the biopharma industry, wrote, “Cynthia is a senior legal counsel for MANY biopharma companies, who rave about the support they receive from her. Her understated style provides few opportunities to highlight her impact on the industry, but that impact is highly significant.”

Mazareas, a partner in WilmerHale’s Boston office, has more than 30 years of experience in serving as a trusted adviser to companies in the life sciences industry. She applies her deep knowledge to provide strategic business counsel to boards, management teams and in-house counsel, representing high-growth private and public companies in day-to-day corporate matters and helping companies navigate through complex business transactions.
