

## A Guide to West Texas Patent Cases Before Judge Albright: Part 1

JULY 6, 2020

This article, published by *Law360* and written by [Greg Lantier](#), [Ben Ernst](#), Wenbo Zhang, [George Manley](#) and [Jeff Soller](#), is the first article in a three-part series examining patent litigation before Judge Albright in the Waco Division of the US District Court for the Western District of Texas.

The first article looks at the popularity of the forum as well as the series of standing orders and procedures issued by Judge Albright that aim to promote speed and efficiency in patent litigation.
