GENESIS.RUANO@WILMERHALE.COM

Genesis Ruano counsels clients on cybersecurity, privacy, and regulatory risks.

Prior to joining the firm, Ms. Ruano worked as a student attorney and teaching assistant at the Berkman Klein Center for Internet & Society Cyberlaw Clinic in Cambridge, MA, where she analyzed state and federal regulations and enforcement actions, regarding journalist rights, fourth amendment rights, cyberstalking, drone usage, and home surveillance technology. Additionally, she worked as a legal intern at the Data Privacy and Security Division of the Massachusetts Attorney General's Office, North Carolina Attorney General's Office, and a summer associate at a firm in Massachusetts.
