- defense of financial institutions, international trade, tax,

In criminal litigation

The National Law Journal’s

Our global team handles highly complex and sensitive matters.
Legal Excellence. Dedication to Clients. Commitment to Public Service.

WilmerHale is a leading, full-service international law firm with locations in the United States, Europe, Latin America and Asia. We advise our clients throughout the world in every major aspect of litigation, regulation and public policy, and will leverage our core strengths to better serve our clients.

WilmerHale remains committed to the guiding principles at its core:

- preserving quality, world-class legal and client services
- developing diversity among our lawyers and staff
- retaining an environment that promotes an entrepreneurial spirit, collaboration and camaraderie by dressing on the exceptional ideas and varied experience of our lawyers;

- encouraging lawyers and staff to perform public service and give back to the community through pro bono work, government service, service to bar, teaching, and supporting public institutions and charitable organizations;

- hiring and retaining exceptionally talented lawyers who possess the common trait of outstanding academic and personal achievements.

WilmerHale's global team of 400 litigators and controversy specialists handles highly complex and sensitive matters in all aspects of litigation and dispute resolution. These matters are complex, geographically and substantially diverse, and our lawyers apply a strategy-oriented approach with proceedings in trial, appellate, anti-trust and white-collar litigation. Our litigation practice is a vital, fully integrated part of our global organizations. Our practice covers the entire spectrum of law, from one of the most significant, highly complex and sensitive matters in state or federal courts to technology, health care, financial systems, and intellectual property law, and encompasses a wide range of industries including aerospace, automotive, chemical, energy, financial services, information technology, pharmaceuticals, technology, manufacturing and professional services. Our lawyers appear in countless proceedings in state and federal courts, including class actions, in state and federal appellate courts, before SEC, FERC and other bodies, and in various proceedings in the United States Supreme Court in cases ranging from securities and commercial disputes, to intellectual property disputes, to complex financial matters.

APPELATE AND SUPREME COURT LITIGATION

Our appellate lawyers have argued more than 115 cases before the Supreme Court, including heading cases in antitrust, health care, banking, health care, constitutional, employment, energy regulations, federal preemption, patent, securities regulation and tax law. We have represented clients more than 150 times in the Federal Circuit and in the Federal Courts of Appeals. In 2010, WilmerHale's appellate lawyers won more than 90 of 114 arguments heard in the United States Courts of Appeals.

BUSINESS TRIAL GROUP

Our Business Trial Group handles trials or related trial work in a variety of matters, including intellectual property, securities, antitrust, health care fraud, and commercial disputes. We have successfully represented clients in a range of disputes including patent infringement, antitrust and employment matters. Our lawyers have extensive experience in defending clients in investigations by the Federal Trade Commission and the Department of Justice. We have defended clients in investigations involving allegations of conduct that may be deemed illegal or improper. We have successfully handled trials and appellate work in state and federal courts, and have represented clients on appeals in the United States Supreme Court.

GOVERNMENT AND REGULATORY LITIGATION

We handle complex disputes that arise under regulatory programs involving federal government agencies, state or local governments—including ethical compliance, administrative and immigration criminal and civil investigations. Our lawyers have handled a wide range of matters, including representations of clients in investigations by the Federal Trade Commission, the Department of Justice, and the Securities and Exchange Commission. We represent corporate and individual clients in matters involving federal, state and local governments, including investigations by the Federal Trade Commission, the Department of Justice, the Securities and Exchange Commission, and the Internal Revenue Service. We represent clients in matters involving the U.S. Department of Justice, the Securities and Exchange Commission, and the Federal Trade Commission. We also represent clients in matters involving the European Commission, the Federal Trade Commission, the Department of Justice, the Securities and Exchange Commission, the Internal Revenue Service, and other federal, state and local agencies. We represent clients in matters involving investigations by the Federal Trade Commission, the Department of Justice, the Securities and Exchange Commission, and the Internal Revenue Service. We also represent clients in matters involving investigations by the Federal Trade Commission, the Department of Justice, the Securities and Exchange Commission, and the Internal Revenue Service.
WilmerHale remains committed to our guiding principles of:

- leveraging our core strengths to better serve our clients.
- retaining exceptionally talented attorneys.
- giving highest priority to legal and service and spirit.
- providing clients with governmental, regulatory and public policy services.

Our team includes fellows of the American College of Trial Lawyers and a former Solicitor, Acting United States Attorney for the Southern District of New York. We handle matters in a variety of industries, including leading cases in antitrust, securities, accounting and government enforcement actions and congressional investigations; and non-jurisdictional cases in the United States, and many more in the trial courts.

We handle appeals in the Supreme Court and the International Court of Justice. We have handled major litigations in the courts and arbitration bodies of principal states and private organizations. Our team has considerable experience in trying jury and non-jury cases in federal district courts.

Our lawyers have also represented clients in a variety of industries, including technology disputes, including complex mathematical algorithms and devices for measuring and monitoring semiconductor chips. We win with innovative strategies early in the case.

We win with innovative strategies early in the case; we defend clients against allegations of securities, accounting and government enforcement actions and congressional investigations; and non-jurisdictional cases in the United States, and many more in the trial courts.
